May 2013

PRESIDENTIAL VIEWPOINT

In an effort to provide plenty of opportunities to acquire the necessary NJ Locksmith License CEUs prior to the upcoming August 2013 renewal date, GPLA has scheduled four CEU approved classes for June and July, along with another class being offered jointly by GPLA and ILA-DVC. The schedule is listed elsewhere in this newsletter along with the class descriptions and registration forms. These can also be downloaded from our website at www.gpla.org.

Because our 2013 convention will be held after the August renewal date, it was decided to offer several CEU-approved classes now and reduce the number of classes normally available at our convention. These classes are open to all GPLA members as well as other non-association affiliated locksmiths. You do not need to be a NJ licensed locksmith to attend and the quality of these classes is the same as what we offer during our convention. In addition, all of these classes are available to members at a substantial discount. It's a great opportunity to get quality, hands-on education for 33% less than our convention classes typically cost! Class sizes are limited, so please register early. The first class is a little less than a month away.

If you paid attention to the meeting notification on the back of this newsletter, you will have noticed that this month's meeting will be a dinner meeting held at Nick's Roast Beef at 2224 Cottman Avenue in Philadelphia. The Board of Directors felt that the membership would enjoy a change of venue (and menu!). Nick's Roast Beef is known for their good food. They will be offering a selection of 4-5 entrees, so everyone should be able to find something that they like. Dinner will be served around 7:30 pm, but you are welcome to arrive any time after 6:30 pm and enjoy a drink with us at the cash bar. There should be plenty of parking behind the restaurant. There is a stairway to the lower level where we are meeting just inside the rear entrance. Please feel free to bring a guest. The cost is just \$20.00 per person and includes all taxes and gratuities.

GPLA is saddened to report the passing of long-time GPLA member Sonny Haigh. Sonny has been a member since 1984. We extend our sincere condolences to Sonny's family and friends.

Fraternally,
Clifford L. Shafer, CPS, CML
President

He also reiterated that the theme of the 2013 Convention will be "Honoring Their Legacies – The Connelly – Singer Scholarship Fund of the GPLA."
