PRESIDENTIAL VIEWPOINT

Spring begins just two days after this month's GPLA membership meeting and it can't get here soon enough to suit me. Maybe it's just one more sign that I'm getting older, but this winter has felt colder and seemed windier than any in the past 5 years or so. True, we haven't had as much snow as in the past (remember 3 years ago?), but I'd bet we've had more cloudy days than even in that winter. Spring is my favorite season, and not just because Rita's offers free water ice on that first day! The calendar says the new year begins on January 1st, but in my mind March 20th is the beginning of the year. I think that's because spring reminds me that no matter how cold and gloomy the weather has been, no matter the disappointments or missed opportunities of the past year, everything is again possible when spring returns. Spring marks the return of daylight savings time, the return of the Phillies and the return of outdoor living. That's the trifecta and it doesn't get any better than that!

This spring also heralds the introduction of a new benefit for GPLA members. I am pleased to announce the establishment of the Connelly-Singer Scholarship Fund of GPLA. The scholarship was created by combining the monies from the Gerald Connelly Library with those of the Singer Scholarship Fund, which was created several years ago through a donation in memory of Leonard and Louise Singer. I believe this is a fitting tribute to honor these outstanding individuals who contributed so much to our industry. My thanks to both Martin Arnold and Carolyn Connelly for proposing and executing this merger.

With the combined funds, GPLA will be able to award 2 scholarships of two classes each to our annual convention each year. GPLA members that are classified as active, apprentice and the newly created shop member (another reason to have your employees join GPLA as shop members!) are eligible to apply. Members of several other local locksmith associations are also eligible to apply, but at least one of the two scholarships awarded each year must go to a GPLA member. The applications for the scholarship should be available on our website

Minutes of the February 2013 GPLA General Membership Meeting

The February 2013 GPLA General Membership Meeting was held at the GPLA Headquarters on February 18, 2013 and was called to order at 7:35 PM by President Cliff Shafer.

The President welcomed one guest to the membership meeting: Ryan Loughnane from A-1 Lock.

A program was then presented by Jim Handschuh on Trine products and concluded at 8:16 PM.

Reading of the previous meeting minutes: A motion was made by Orvis Kline to accept the January 2012 General Membership Meeting Minutes as printed/mailed in the Newsletter, 2nd by John Williams and was passed unanimously.

Treasurer's Report: President Cliff Shafer stated that the report was presented to the Board of Directors and unanimously approved. He also reminded all in attendance that any member in good-standing may have a copy of the financial statement upon request.

Correspondence In & Out: John Williams reported that the proxy ballots were mailed out and some were received after having been filled out by members not attending the meeting.

Convention Committee: Cliff Shafer stated that chairman Sven Hellwig was ill and would provide a summary report at the next membership meeting.

President's Report: Cliff Shafer informed the membership that there were two nomination forms at the head table for Tom Demont and Joe Cortie. Each looking to run for the ALOA presidency. Interested parties should sign it if they wish to support the petition.

NJ Legislation: Ed Fitzgerald stated that the State of NJ is meeting with a believed illegal locksmith in one of the first enforcement actions of the licensing initiative.

PA Legislation: Nothing to report.

Education: GPLA is sponsoring a class on March 23 on *Life Safety Codes & ADA, Means of Egress and Industrial & Shop Safety*. The President reminded everyone that this would be a good opportunity to take advantage of the new Shop Membership category to receive a discount when enrolling in a class.

By-Laws: Orvis Kline discussed the proposed changes that were printed in the February Newsletter and being considered for the vote. An involved and spirited discussion ensued. Orvis stated that if anyone has any questions pertaining to the new By Law changes that they should be directed to the membership before the vote at the March meeting.
