PRESIDENTIAL VIEWPOINT

I am writing my Presidential Message while trying to recover from yet another successful convention. This past weekend was the culmination of a year of effort by the 2013 Convention Committee. The result was a spectacular 64th Anniversary Convention, and Sven Hellwig and the rest of his committee deserve much praise. Sven has chaired the committee for the last 6 years and each year has been better than the previous one! How does he do it?

I have received numerous communications from various VIP's and out-of-town guests who were in attendance, thanking and praising GPLA for a memorable weekend. They all commented on the hospitality that they were shown by members of GPLA. That praise belongs to the many members of GPLA that attended and helped to build on our reputation as the finest locksmith association in the country.

Congratulations are in order to the various award recipients: John Truempy was presented with the Lee Rognon Award for his efforts in promoting cooperation between associations; Jeff Volosing of StrongArm was this year's recipient of the Gerald J. Connelly, Jr. Pioneer Award for his innovative safe drill bits and drill rigs, and Skip Eckert was presented with our industry's highest honor – The 2013 Philadelphia Award. I might also add that I was humbled and honored to receive the Herman C. Hensler Jr. Award.

And finally, congratulations are in order for the recipients of this year's Connelly/Singer Scholarship: Rob Neville, Drew Campbell, Zachery Gale and Nicholas Denaro. These four individuals were each able to attend 2 classes at this year's convention at no cost to them (or their employers!). We will be awarding 2 more scholarships to next year's GPLA convention. It's not too early to apply for them now!

We will be holding nominations for Row Officers and the Board of Directors at the October membership meeting. Any interested member may be nominated from the floor if they are not already listed on the ballot. Elections will take place at our November general meeting. Please plan to attend both of these meetings and participate in this very important process as we select the leaders who will guide GPLA forward over the next two years.

Fraternally,
